MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director for Administration

FROM: Robert W. Gambino
Chairman

SUBJECT: Unofficial Travel to the Moscow
Olympics, 1980 ☐

25X1

1. Action Requested: That you sign the attached memorandum to the National Foreign Intelligence Board. ☐

25X1

2. Background and Discussion: During the recent Security Committee conference, the question was raised as to the position which should be taken by Intelligence Community member organizations relative to unofficial travel to the 1980 Moscow Olympics by persons having access to national foreign intelligence, particularly SCI. It was the consensus of the attendees that this matter could be effectively handled by means of a memorandum of reminder from you to the National Foreign Intelligence Board drawing attention to the likelihood of travel to the Olympics and the need for security briefings as described in DCID 1/20. ☐

3. Action Recommended: Your signature on the attached memorandum. ☐

MEMORANDUM FOR NATIONAL FOREIGN INTELLIGENCE BOARD

SUBJECT: Unofficial Travel to the Moscow
Olympics, 1980 ☐

25X1

1. Looking ahead to the occasion of the 1980 Olympics being held in Moscow brings to mind the security concern for those persons having access to highly sensitive national foreign intelligence who may be planning to attend. The potential for Soviet action against unofficial travelers in the way of provocation and harassment or attempts at compromise or recruitment remains current and real. ☐

25X1

2. I would like to pass on to each of you a special reminder of the need and responsibility for adequately briefing and preparing those travelers to Moscow. DCID 1/20 sets forth the policy and requirements for both the intended traveler and the Intelligence Community member organizations in this matter. ☐
